It is hoped that young people attending would be inspired to develop a deeper relationship with Jesus Christ through the Bible studies, Prayer Sessions and the Empowering Word of God and thus aspire with the help of the Holy Spirit to live a Christ-centred life. This is a socio – spiritual event, hence young people would get to interact, make new friends and develop team work ethics and leadership skills through participation and involvement in the activities

The cost of this conference includes food, accommodation and conference materials. We require that everyone conduct themselves along Christian guidelines.

Accommodation is in dormitories on beds.
